

Dr Dominique Burgener

Born in Geneva, Dr. Dominique Burgener studied medicine at the University of Geneva. He completed his post-graduate hospital training in Internal Medicine and Gastroenterology at the University Hospitals of Geneva as an assistant physician and head of clinic in both disciplines. He obtained the title of specialist FMH in Internal Medicine in 1996 and in Gastroenterology in 2001.

In 2002, Dr Burgener opened his gastroenterology practice at the Clinique des Grangettes where he will work until January 2021. He will join the GGHA team as of February 1st 2021.

Dr. Dominique Burgener performs all routine gastroenterological examinations (gastroscopy, colonoscopy, abdominal ultrasound).
